Applications for SC Housing's SC Stay program are now open for residents of Williamsburg and Jasper counties. The program offers South Carolinians who have been affected by COVID-19 up to \$7,500 in short-term rental and mortgage assistance for up to six consecutive months. As part of the CARES ACT and through the program, \$25 million in COVID-19 housing assistance will be available in South Carolina to residents who have fallen behind on their rent or mortgage payments.

To start the application process please SC Housing's toll-free hotline at 833.985.2929. If the initial screening finds you may be eligible for assistance, a local processing agency will reach out to you to complete the application and paperwork.
